2019 Building Industry Home & Trade Show, March 8 – 9, 2019

Dear Prospective Exhibitor:

It's time to reserve your space in the SSEABIA 2019 Building Industry Home & Trade Show set for March 8, 2019 from 4:00 p.m. – 8:00 p.m. & March 9, 2019 from 10:00 a.m. – 5:00 p.m. at the Ted Ferry Civic Center in Ketchikan, Alaska. Allow us to provide you an opportunity to show your products and services for the trades to hundreds of homeowners, builders, remodelers and tradesmen from across the State.

The Show is a home building and remodeling trade show targeted at Builders and Associates in the Building Industry as well as homeowners who are building or remodeling. Be one of the exhibitors who will gather under one roof to display new products and ideas for home building, remodeling, and commercial construction.

The Trade Show committee is working hard to generate ideas that will meet the needs of an Industry Home & Trade Show. Our commitment to hosting a show dedicated solely to the building industry will ensure that your time will be spent talking with qualified builders and buyers. This year we will feature an hourly drawing of gifts from booth vendors, awards for vendors for best use of theme, best single booth, best double booth and public favorite and a contractor's reception to network with local builders.
